विषय: ई0 कुबेर प्लेटफार्म, भारतीय रिजर्व बैंक के माध्यम से केन्द्रीय प्रायोजित योजनाओं (Centrally Sponsored Schemes (CSS) की राशि को Just in time पर जारी करने की SNA SPARSH प्रक्रिया लागू करने के संबंध में।

1. व्यय विभाग, वित्त मंत्रालय, भारत सरकार के पत्रांक F.No.1(27)/PFMS/2020 दिनांक 13.07.2023 (अनुलग्नक 1) द्वारा GFR 2017 के नियम 230(7) के अनुसार "The principles of Just in time release should be applied for release in respect of all payment to the extent possible" तथा केन्द्र और राज्य दोनों स्तरों पर Cash Management में अधिक दक्षता लाने हेतु केन्द्रीय प्रायोजित योजनाओं की राशि के लिए SNA SPARSH (समयोचित प्रणाली एकीकृत शीघ्र हस्तांतरण) नामक एक वैकल्पिक Fund Flow mechanism प्रारंभ करने का निर्णय लिया गया है। PFMS State IFMIS तथा भारतीय रिजर्व बैंक के ई0 कुबेर प्लेटफार्म के माध्यम से संदर्भित Fund Flow mechanism को लागू किया जायेगा।
2. SNA SPARSH मॉडल में अधिसूचित योजनाओं के कार्यान्वयन के लिए संबंधित राज्य सरकार तथा भारत सरकार के मंत्रालयों/विभागों द्वारा निम्नवत् प्रक्रिया के पालन हेतु व्यय विभाग, वित्त मंत्रालय, भारत सरकार के पत्रांक F.No.1(27)/PFMS/2020 दिनांक 13.07.2023 (अनुलग्नक 1) द्वारा दिशा-निर्देश निर्गत है:-
 - (i) Ministry/Department concerned of the Government of India shall open a drawing account with RBI under the existing User Defined Customer Hierarachy (UDCH) code of the Ministry/Department concerned.
 - (ii) The State Government will designate a Single Nodal Agency (SNA) for implementing each State Linked Scheme (SLS) corresponding to a CSS. Existing SNAs under the "SNA model" may also be designated as SNAs under SNA- SPARSH model.
 - (iii) The State Government shall open SLS wise drawing accounts of SNA in RBI. Before opening of drawing account of an SLS, State Government and Ministry/Department concerned of Gol shall ensure that the Centre-State fund sharing ratio is uniform under all components of that SLS. In case of Umbrella schemes having multiple sub schemes/components

with varying sharing patterns, State Governments in consultation with Ministry/Department concerned should open separate SLS for sub schemes/components with different sharing ratio.

(iv) After opening of aforesaid drawing accounts in RBI by the Ministries/Departments and the State Governments, the Ministries/Departments and the State Governments will approach the PFMS division, O/o CGA for on boarding the scheme onto SNA- SPARSH platform of PFMS by 'marking' of the CSS on PFMS. Simultaneously, the State Governments shall map the CSS with corresponding SLSs as per the existing protocol.

(v) Upon on boarding of a scheme onto SNA- SPARSH platform, the State Government shall close all the SNA accounts pertaining to the scheme and return the Central share of unspent balance lying in the SNA accounts to the Consolidated Fund of India (CFI). Similarly the State share of unspent balance in the SNA accounts should be returned to the Consolidated Fund of the State. Further, the central share under the scheme lying in State treasury should also be returned to the CFI. Detailed procedure for calculation and return of the unspent amount will be issued separately.

(vi) Once a CSS is on boarded onto SNA-SPARSH platform of PFMS, Ministry/Department concerned shall use only the SNA-SPARSH platform to release funds under the scheme as per the guidelines contained in this OM and further guidelines issued in the matter. The use of SNA platform to release funds as per DoE's guidelines dated 23rd March, 2021 shall be stopped immediately after on boarding of the CSS onto SNA-SPARSH platform.

(vii) In the beginning of a financial year, the Ministries/Departments will create a 'mother sanction' in PFMS for a state for a CSS. The 'mother sanction' will define State wise drawing limit of the Ministry/Department for that CSS. The mother sanction may be modified by the Ministry during the year with the concurrence of the IFD.

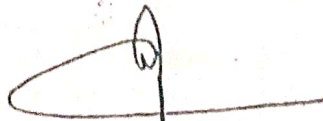

(viii) The SNA and the Implementing Agencies (IAs) down the ladder shall be registered in State Integrated Financial Management Information System (State IFMIS).

(ix) Whenever the SNA/IAs needs to make payment to vendors/beneficiaries, the SNA/IAs will generate payment files in State IFMIS. The payment files generated by SNA/IAs will be consolidated by State treasury in State IFMIS periodically after thorough scrutiny.

(x) In the case of States where the IT system is not ready to onboard a large number of agencies with proper protocol, the agencies may submit manual claims to State treasury which in turn shall process these claims in the State IFMIS.

- (xi) State Government will develop a State Cyber Treasury wherein all payment files with SLS tags from the SNA/IAs could be received for payment and the vouchers could be compiled for accounting purpose. The State Cyber Treasury shall make the provision of 'flags' to identify the SNA/IA which has raised the claim and the SLS to which the claim pertains to.
- (xii) State Government/treasury will share the consolidated payment file with PFMS for advance release of Central share.
- (xiii) After receiving the consolidated payment file on PFMS, the Ministry/Department concerned will generate a sanction equivalent to the central share specified for the SLS on PFMS and transfer the central share of funds from centre's drawing account to the State's drawing account. Thus, State's drawing account shall be pre-funded with central share. After release of central share of funds, the mother sanction for the centre's drawing account for the scheme for the State will be reduced by an equivalent amount.
- (xiv) Payment files received from State Treasury in PFMS till the cut-off time of 3 PM during a working day will be processed and sanction for the central share will be generated on the same working day. Sanction for the central share for payment files received beyond the cut-off time of 3 PM may be generated on the next working day.
- (xv) Upon receipt of Central share, the consolidated payment file in State IFMIS will be auto pushed from State IFMIS to RBI. RBI shall debit the State's drawing amount by the total amount of the payment file and release payments to vendors/beneficiaries as per the instructions contained in the payment file. RBI will share the Debit notification of this payment with both PFMS and State IFMIS.
- (xvi) In some schemes, the State Governments are releasing 'top up' amount in addition to the Central share and State share. State IFMIS and PFMS shall maintain a master database of proportion of Central, State share and the top up amount in such schemes. Payment files of such schemes will mandatorily include the 'top up' amount separately in line with the proportions in the master database and the Central share will not be calculated on the 'top up amount'. In case of schemes having 'top up' by State Government, Ministries/Departments shall not generate the sanction for central share against the payment files which are not reflecting the top up amount separately.
- (xvii) There shall be periodic reconciliation and settlement of funds including failed transactions between Centre and State. The consolidated payment file pushed by State IFMIS to

PFMS will mandatorily have the flagging for reinitiated transactions against previously failed transactions (if applicable) to avoid duplicate payments.

(xviii) Funds will remain in respective consolidated funds and will be released to the beneficiaries/vendors just in time. The funds will not be diverted to any personal Deposit (PD) account or any other account by the State Government.

(xix) UTs without legislature work directly in PFMS and there is no need for them to open account in RBI. Ministries concerned can allow UTs with legislature to operate the concerned budget head through Letter of Authorization. UTs without legislature will ensure that the funds are released to the vendors/beneficiaries 'just in time' and are not parked in a bank account. In case funds are to be released to any agency as per scheme guidelines, provision of Rule 230 (vii) of GFR 2017 will be strictly followed to avoid parking of funds, with agencies.

To ensure uninterrupted flow of funds, Ministry/Department will issue a Mother sanction immediately after on boarding of the scheme in the new system.

New Delhi, 13th July, 2023

To

Chief Secretaries/Principal Secretaries (Finance): All States/UTs

Subject: "Just-in-Time" release of Centrally Sponsored Schemes (CSS) funds through e-luber platform of Reserve Bank of India (RBI).

Sir/Madam

The General Financial Rule 232(v) prescribes the release of funds to the State Governments and monitoring utilization of funds through PFMS. For better monitoring the availability and utilization of funds released to the States under the Centrally Sponsored Schemes (CSS) and to reduce float, the Department of Expenditure vide OM No. 1(13)PFMS/FCD/2020 dated 23rd March, 2021 has issued guidelines for revised procedure for flow of funds under CSS. The revised procedure, known as the "SNA model", came into effect from 1st July, 2021.

2. Further, in view of rule 230 (7) of GER 2017 which prescribes that "The principles of 'just in time release' should be applied for releases in respect of all payments to the extent possible" and to bring about more efficiency in cash management at both Centre and States level, it has been decided to introduce an alternative fund flow mechanism named SNA - SPARSH (समयोचित प्रणाली एकीकृत शीघ्र हस्तांतरण - Real time System of Integrated, Quick Transfers) for CSS funds through an integrated framework of PFMS, State IFMIS and e-luber platform of Reserve Bank of India (RBI) in a progressive manner. The names of schemes and States to be covered by the alternative fund flow mechanism will be notified from time to time.

3. Following procedure will be followed by the State Governments concerned and the Ministries/Departments of the Government of India for the schemes notified for implementation in SNA - SPARSH model -

- i. Ministry/Department concerned of the Government of India shall open a drawing account with RBI under the existing User Defined Customer Hierarchy (UDCH) code of the Ministry/Department concerned.
- ii. The State Government will designate a Single Nodal Agency (SNA) for implementing each State Linked Scheme (SLS) corresponding to a CSS. Existing SNAs under the "SNA model" may also be designated as SNAs under SNA - SPARSH model.

Prithvi Kumar

i. The State Government shall open SLS wise drawing accounts of SNA in RBI. Before opening of drawing account of an SLS, State Government and Ministry/Department concerned of GoI shall ensure that the Centre-State fund sharing ratio is uniform under all components of that SLS. In case of Umbrella schemes having multiple sub schemes/components with varying sharing patterns, State Governments in consultation with Ministry/Department concerned should open separate SLS for sub schemes/components with different sharing ratio.

v. After opening of aforesaid drawing accounts in RBI by the Ministries/Departments and the State Governments, the Ministries/Departments and the State Governments will approach the PFMS division, O/o CGA for on boarding the scheme onto SNA-SPARSH platform of PFMS by 'mapping' of the CSS on PFMS. Simultaneously, the State Governments shall map the CSS with corresponding SLSs as per the existing protocol.

v. Upon on boarding of a scheme onto SNA- SPARSH platform, the State Government shall close all the SNA accounts pertaining to the scheme and return the Central share of unspent balance lying in the SNA accounts to the Consolidated Fund of India (CFI). Similarly the State share of unspent balance in the SNA accounts should be returned to the Consolidated Fund of the State. Further, the central share under the scheme lying in State treasury should also be returned to the CFI. Detailed procedure for calculation and return of the unspent amount will be issued separately.

vi. Once a CSS is on boarded onto SNA-SPARSH platform of PFMS, Ministry/Department concerned shall use only the SNA- SPARSH platform to release funds under the scheme as per the guidelines contained in this OM and further guidelines issued in the matter. The use of SNA platform to release funds as per DoE's guidelines dated 23rd March, 2021 shall be stopped immediately after on boarding of the CSS onto SNA- SPARSH platform.

vii. In the beginning of a financial year, the Ministries/Departments will create a 'mother sanction' in PFMS for a State for a CSS. The 'mother sanction' will define State wise drawing limit of the Ministry/Department for that CSS. The mother sanction may be modified by the Ministry during the year with the concurrence of the IFD.

viii. The SNA and the Implementing Agencies (IAs) down the ladder shall be registered in State Integrated Financial Management Information System (State IFMIS).

ix. Whenever the SNA/IAs needs to make payment to vendors/beneficiaries, the SNA/IA will generate payment files in State IFMIS. The payment files generated by SNA/IAs will be consolidated by State treasury in State IFMIS periodically after thorough scrutiny.

x. In the case of States where the IT system is not ready to onboard a large number of agencies with proper protocol, the agencies may submit manual claims to State treasury which in turn shall process these claims in the State IFMIS.

Retainy h. h.

xi. State Government will develop a State Cyber Treasury wherein all payment files with SLS tags from the SNA/IAs could be received for payment and the vouchers could be compiled for accounting purpose. The State Cyber Treasury shall make the provision of 'tags' to identify the SNA/IA which has raised the claim and the SLS to which the claim pertains to.

xii. State Government/treasury will share the consolidated payment file with PFMS for advance release of Central share.

xiii. After receiving the consolidated payment file on PFMS, the Ministry/Department concerned will generate a sanction equivalent to the central share specified for the SLS on PFMS and transfer the central share of funds from centre's drawing account to the State's drawing account. Thus, State's drawing account shall be pre-funded with central share. After release of central share of funds, the mother sanction for the centre's drawing account for the scheme for the State will be reduced by an equivalent amount.

xiv. Payment files received from State Treasury in PFMS till the cut-off time of 3 PM during a working day will be processed and sanction for the central share will be generated on the same working day. Sanction for the central share for payment files received beyond the cut-off time of 3 PM may be generated on the next working day.

xv. Upon receipt of Central share, the consolidated payment file in State IFMIS will be auto pushed from State IFMIS to RBI. RBI shall debit the State's drawing amount by the total amount of the payment file and release payments to vendors/beneficiaries as per the instructions contained in the payment file. RBI will share the Debit notification of this payment with both PFMS and State IFMIS.

xvi. In some schemes, the State Governments are releasing 'top up' amount in addition to the Central share and State share. State IFMIS and PFMS shall maintain a master database of proportion of Central, State share and the top up amount in such schemes. Payment files of such schemes will mandatorily include the 'top up' amount separately in line with the proportions in the master database and the Central share will not be calculated on the 'top up amount'. In case of schemes having "top up" by State Government, Ministries/Departments shall not generate the sanction for central share against the payment files which are not reflecting the top up amount separately.

xvii. There shall be periodic reconciliation and settlement of funds including failed transactions between Centre and State. The consolidated payment file pushed by State IFMIS to PFMS will mandatorily have the flagging for reinitiated transactions against previously failed transactions (if applicable) to avoid duplicate payments.

xviii. Funds will remain in respective consolidated funds and will be released to the beneficiaries/vendors just in time. The funds will not be diverted to any Personal Deposit (PD) account or any other account by the State Government.

ix. UTs without legislature work directly in PFMS and there is no need for them to open account in RBI. Ministries concerned can allow UTs with legislature to operate the concerned budget head through Letter of Authorization. UTs without legislature will ensure that the funds are released to the vendors/beneficiaries 'just in time' and are not parked in a bank account. In case funds are to be released to any agency as per scheme guidelines, provision of Rule 230 (vii) of GFR 2017, will be strictly followed to avoid parking of funds with agencies.

Jharkhand SNA-SPARSH (Accounting)
(STANDARD OPERATING PROCEDURE)

Standard Operating Procedure (SOP) for Jharkhand SNA-SPARSH (ACCOUNTING)

1. Agency will prepare the Fully Vouched Claim Bill (Beneficiaries/Vendors Payment File) with System Generated Reference Number and present to the Linked Drawing & Disbursing Officer (DDO) with manual vouchers.
 2. Linked DDO will generate the Treasury Bill with Control Number from the Claim Bill Reference Number from Agency and present the manually signed copy to Linked Treasury.
 3. The Linked Treasury will generate the Advice Number against the Control Number and generate Payment XML and Digitally Sign the XML.
 4. PFMS recommends to consolidate the SLS wise Payment XML file in Centralized Treasury before pushing the files to PFMS for release of Center Share instead of sending Bill-wise file.
- In present scenario, since payment to be done is decentralised i.e. by respective Treasuries of state, the respective treasury is to consolidate SLS wise Payment XML file and push to PFMS for release of Center Share instead of Bill-wise file.
5. The respective Treasury on receiving the notification of release of Center Share, will push the Beneficiary Payment file to RBI eKuber for crediting the Beneficiaries Accounts and debit the SLS wise RBI Account.
 6. RBI will send the DMS for SLS wise RBI Account to Centralized Treasury where SLS Wise Account is opened by State Government.
 7. As authorization of payment of SNA-SPARSH Bill will be done by existing Treasuries i.e. Head Quarter Treasuries, District Treasuries and Sub-Division Treasuries, submission of manually signed vouchers and sub vouchers will be done by the Linked DDOs.
 8. There is a need for Centralized Accounting System (CAS) for all SNA-SPARSH Expenditures and Receipts, due to Single State Linked Scheme (SLS) Wise RBI Accounts to Debit of all Expenditures and credit to all Receipts for Entire state.
 9. In light of point 8, it is required to designate an independent Centralized Accounting Treasury and assign a Treasury Code to it for all SNA-SPARSH Schemes Accounting.

10. A separate SNA-SPARSH treasury at Boranda Treasury can be established with 'SNA' Treasury Code for generating the centralized accounts for all SNA-SPARSH bills transacted by various treasuries of state.
11. The Manual vouchers of SNA-SPARSH bills along with a System-generated Report (excluding SNA-SPARSH Accounting reports) will be submitted by the existing Treasury who have transacted SNA-SPARSH bills to the AG office. This report will be separated from respective Treasury's normal (i.e. Non SNA SPARSH) month end accounts.
12. SNA-SPARSH Treasury will centrally complete the month-end accounting on behalf of SNA-SPARSH paying Treasuries.
13. Accounting Report will contain 'Main Treasury Code' of the Centralized Treasury generating the accounts and 'Transacting Treasury Code' i.e. Treasury Code of Treasury who has transacted the SNA-SPARSH bill for the payment side.
14. SNA-SPARSH Treasury will also generate the accounting of Receipt side based on Credit Notification of Central Share & Return Notification of Failed payments files.
15. SNA-SPARSH treasury will generate the following reports:
 - a. All Accounting reports related to SNA-SPARSH Payments and Receipts as prevalent in other Treasuries.
 - b. List of Treasurywise Daily Debit/Credit report to the AG office for reconciliation of manual vouchers received from respective SNA-SPARSH Paying Treasuries.
16. All the System Generated Reports would be manually signed by the respective Treasury Officers.

Comments of the office of the Pr Accountant General (A&E), Jharkhand on
the Standard Operating Procedure (SOP) for Jharkhand SNA-SPARSH
(Accounting)

The SOP for Jharkhand SNA-SPARSH (Accounting)/Process Flow, forwarded by the Finance Department, Government of Jharkhand vide their letter No. 38/SPARSH-161/2023/3214/Fin. Dated 16.11.2023, appears to be in order and is broadly agreed to. However, it is important to recognize that the implementation of the SOP may pose challenges which may require suitable adjustments and modifications in the SOP at the time of its practical application in line with the overall guidelines issued by the Government of India, from time to time.

2. Further, as per para 11 of the Draft SOP, the manual vouchers of SNA-SPARSH bills along with system generated reports will be submitted by the existing Treasuries to the AG office and the SNA-SPARSH Treasury will centrally complete the month-end accounting on behalf of all SNA-SPARSH paying Treasuries. However, it may please be ensured that the submission of physical vouchers by the Treasuries are aligned with the submission of monthly accounts of SNA-SPARSH. In other words, it is crucial that the physical vouchers are received in the AG office on or before the date of receipt of the Accounts so that the SNA-SPARSH Accounts are not kept under Objection Book Suspense (8658-102) in the Monthly Civil Accounts for want of Vouchers. Further, guidelines contained in point no. 3 (xvi) of Ministry of Finance letter no. F No. 1 (27)/PFMS/2020 dated 13 July 2023 regarding methodology for releasing Top Up amount in addition to the Central and State Share may also be complied with at the time of implementation of SNA-SPARSH.
